HOW TO MAKE ORDER?

STEP 1

Size and shape (Model)

Choose the tin can style (shape) and capacity which you like and need, and tell us the quantity requirement.

STEP 2

Design

We're provide design templates according your tin style, please to find a graphic designer and tell what you need, product name, brand, logo, ect. The will make design artwork for you.

STEP 3

Pre-press department

After we received your design artwork (Adobe Acrobat, or IIlustrator), our designer will adjust the design before make printing, and then send back design artwork for your confirm.
Our Design department is happy to provide guidance for setting up electronic files.

STEP 4

Make Sample or Mass production

After you confirm the design artwork, we're start to make sample or Mass production.

Welcome to Juwei
